*A Rare Italian Water for the Face, Neck,  
Breast and Hands, never made in England  
before this present Year, 1663. The Vertues  
are as followeth.*

**I**T cureth and cleanseth the Skin of all manner of Morpew,  
Sun-burnts, Frickles, Itching, Chaps, Roughnesse, Callouse  
Substance, Scabs, Ring-wormes, Tetrers, Blisters, Rednesse,  
Swarthinesse, and Blacknesse, (often caused by the small Pox:) It  
beaurifies and adorns the Skin with a lively, fresh, and sanguine  
Complexion. It also, with the assistance of a Powder, perfectly  
cures the Green-sicknesse, the Yellow and Black Jaundies (if they  
have not seized on the Brains and Guts) without any pain, mole-  
station, abstinence from Businesse, or keeping within Doors.

*Both Water and Powder, with Directions  
to use them, are left to be sold at either  
of these Places.*

1. *The new Opera, or Paradise in Shoo-lane.*
2. *The Widow Matthews Goldsmith, in Kings-street Westminster,  
next door to the sign of the George.*
